Visit Canton Launches Explore Stark Bingo: Autumn Adventures

Free digital BINGO experience encourages residents and visitors to explore Stark County this fall

Stark County, Ohio – Visit Canton is launching [Explore Stark Bingo](#), a new series of seasonal digital BINGO experiences designed to encourage residents and visitors to explore Stark County.

The first promotion, **Explore Stark Bingo: Autumn Adventures**, runs **September 15 through November 15** and features over 130 fall attractions, events, restaurants, shops and seasonal experiences throughout Stark County, including pumpkin patches, fall festivals, haunted attractions, seasonal treats and outdoor adventures.

“Explore Stark Bingo is a fun way to connect people with the businesses, attractions and experiences happening throughout Stark County,” said Allison Gromofsky, Senior Manager of Community & Partner Relations at Visit Canton. “We’re excited to highlight our local partners while giving residents and visitors another reason to get out and explore this fall.”

Explore Stark Bingo is free to play and completely digital. Participants can download their BINGO board directly to their smartphone and begin exploring featured Autumn Adventures.

Players check in at participating locations and activities to mark squares on their BINGO board. Just like traditional BINGO, participants must complete five squares in a row - horizontally, vertically or diagonally - to get BINGO.

The first 50 participants to get BINGO will receive a free pie from [Hartville Kitchen Restaurant & Bakery](#).
