We are delighted TourismOhio chose to showcase two of those holiday light displays on the Ohio Holiday Lights Trail."

"The holidays are about coming together to celebrate, and it's great that we get to do that in a way with destinations from all across the state coming together for the trail to celebrate the holidays," said Lydia Mihalik, director of the Ohio Department of Development which oversees TourismOhio. "We have destinations that have been on the trail since it started, and others are featured for the first time this year. It's a wonderful tradition to be a part of."
